Join us today, **Wednesday 2 March, 18.00 - 19.00 (GMT)** for a guided tour of Laocoon Gallery's latest show in London: [Alberto Martini, Masks & Shadows](#), ahead of the acclaimed [Art History in Focus](#) talks series, starting next week from 8 to 18 March.

Gallery Directors Marco Fabio Apolloni and Monica Cardarelli will guide you through a curated selection of works that place Alberto Martini (Oderzo 1876 - Milan 1954) simultaneously as the epigone of Italian *decadentismo* and symbolism as well as the absolute precursor of surrealism.
